

HAITI HELP DOES

HAITI ORPHANS NEED YOUR HELP TODAY

Join Next Step Ministries as we partner with Life 102.5, and WorldHelp to lend a huge helping hand to the Danita's Children Orphanage in Haiti.

Danita's Children Orphanage houses 75 orphans and provides education to over 500 students. These children have lost everything and are in desperate need of post-earthquake supplies.

Over the next 3 Sundays we ask YOU to bring in one or more of the following items:

ITEMS

- small blanket
- band-aids
- anti-bacterial ointment
- children's Tylenol
- soap
- comb
- crayons
- coloring book
- small toys & dolls
- hard candy

On March 17th we will pick up these items from your church and two days later join us along side MercyMe, David Crowder Band, Family Force 5 and more as we pack up 600 care packages and deliver them to all the children at Danita's Children Orphanage in Haiti.

These children are hurt...these children are alone... now here is your chance to help Haiti directly.
